

**Step 1: (continued)**  
Personal details

Declining to quote your TFN to VicSuper is not an offence. However, giving your TFN to VicSuper will have the following advantages:

- we will be able to accept all permitted types of contributions to your account/s;
- other than the tax that may ordinarily apply, you will not pay more tax than you need to - this affects both contributions and benefit payments; and
- it will make it much easier to find different super accounts in your name so that you receive all your super benefits when you retire.

**Would you like all your super in one place?**

VicSuper can help! Simply tick the box below and we'll use your TFN to search for other super accounts you have. We'll then let you know so you can decide if you want to roll them over to VicSuper.

I consent to VicSuper using my Tax File Number (TFN) to search Australian Taxation Office (ATO) records to locate superannuation amounts held on my behalf by other superannuation funds or by the ATO now and in the future. If search results include superannuation amounts held on my behalf by the ATO I also consent to VicSuper requesting the ATO to transfer these amounts into my VicSuper account where possible, and using and disclosing my TFN for that purpose. I understand this consent is given in perpetuity, however I can revoke this consent by contacting the VicSuper Member Centre on **1300 366 216**.

If VicSuper doesn't have your tax file number on record, please provide it above.

**Step 2:**  
Complete your contribution details

**Non-concessional contribution cap:** Currently there is a cap of \$100,000 for non-concessional (or after-tax) contributions for the financial year. This is the annual cap per person across all superannuation funds. However, if your total super balance on 30 June in the previous financial year exceeds the transfer balance cap, at this time set at \$1.6 million, then your non-concessional contributions cap will be nil. Subject to eligibility, members under age 65 can bring forward two years of future entitlements, equalling a non-concessional cap of \$300,000 over 3 years. If you triggered the bring forward rule in the 2016/17 financial year and have not fully utilised the cap prior to 1 July 2017, then transitional arrangements apply. If you exceed this cap and you choose to leave the excess in your super; this excess will be taxed at your top marginal rate plus the Medicare Levy. Alternatively, you may elect for a refund on your excess. With this option, any related earnings will be taxed at your marginal rate and an offset will apply. VicSuper cannot accept non-concessional contributions without your tax file number.
